NSBL agreement:

10 + 25 will be part of a rev share program.

What is the value we expect to get from those 35? We owe them an answer?

They will provide us the brains

We will provide the box with the monitor

What is the percentage of Rev Share we would get, and the willingness to pay a premium. (50%)

36 making \$1200/month and we're getting 15%?

2160

We were talking \$4000 machine

\$2751 @ 40% would sell @ \$6900

Classic lists \$4395

Distributor \$3695 for Classic?

\$4495/\$5295

Margin of differences.
